Rainbow Fish Storytime

This month we read "The Rainbow Fish", written by Marcus Pfister. The story follows Rainbow fish, who is the most beautiful fish in the entire ocean! Throughout the story, other fish ask The Rainbow Fish for just one of his beautiful scales. By the end, Rainbow fish shared his unique scales and learned that he didn't need all of his scales to be happy, instead he needed friendship. Our craft with Daycare and preschool was to have all of the kids make their very own beautiful & unique rainbow fish by gluing on shiny sequins!

Fun in the Sun with Preschool

For the last program with Mrs. Benningsdorf's preschool class, we went outside and played with chalk. The kids were to draw something that they would put inside a book about themselves. Inspired by the book, "What Would You Do in a Book About You."

Bookclub Reads

The Newell Public Library has two active book clubs. These are what they are reading this month!

Book Club #1 Book for May

It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at the video-game store tended to customers. Then the shooters arrived.
